Mr. Miller welcomed Ms. Meyer to the school board. He added a fun fact about Ms. Meyer is that she was my high school guidance counselor a couple of years ago. He said let's just hope she doesn't remember that much about me from those days and that he has learned a lot since then.

Mr. Miller reminded everyone we are having an E-learning day this Thursday. He said teachers will push out assignments or send work home with students.

Mr. Miller said that parent teacher conferences are Thursday, September 10th and that there will be a form sent out for parents to sign up sometime next week or the following week. He added that they will be notified through Parent Square when that form is ready.

Mr. Miller said in the sports world we are up and going. He said to check out EventLink to stay updated on all of our games this year. He added that the All Sports Passes are available to be purchased in our office for \$90. He reminded that this pass gets you into every home game for every sporting event we have.

Mr. Miller said that he had a few updates to discuss on the Jr. High side. He said that we have our RTI up and going this coming week. He added that RTI or Response to intervention is our system for targeting those students who may need some extra support and pulling them into classrooms during homeroom time. He said it is also a time when those students who know the standards well can get some enrichment and also helps with state test study time. He said that we are coming up on the midterm next week it is good to get that ball rolling.

Mr. Miller said lastly, he wanted to inform the board that he will be hosting Principal office hours for me starting October 20th. He said he will be at the school to meet with parents or community members who would like to discuss issues, concerns, or for any other reason are welcome to meet. He said he will be available on Tuesdays from 5:00- 6:30pm (October 20th, December 15th, February 16th, April 20th, and May 18th). He added that, of course, he would be more than happy to meet with anyone anytime. He said that these dates are designed to be more of an open-door discussion opportunity.

This concluded his report.
